Pastor To People

Pastor, why are you preaching this series on "Prayer?" Last year the theme for the National Day of Prayer was "Prayer...America's Hope." I believe that statement is true. Christians know the power of prayer; however, stats show that few Christians practice prayer on a daily basis. In crisis Christians turn to pray for their petitions to be answered, hopefully. In Psalm 121 David poses the question, "where does my help come from?" David responded that his help came from God. During this time of unprecedented challenges in our nation, where are you turning for help? I encourage you to chose **Prayer**. Prayer does change things because it engages God's presence in the situations of life. This series will assist you in developing a more consistent, powerful prayer life. This series is not for someone else; it is for you and others. The doctrine of prayer will certainly be covered in these messages, but my primary purpose is to make these sermons preeminently practical. Pray with me that the results will make us more deeply committed to prayer personally and corporately and will cause us to more clearly discern God's will for our future directions. *Bro. Bob*

Southern Baptists: A praying people impacting a lost world

Prayer Request: Pray for Jon and Tanya Coody as they await the birth of their new son and for no complications with birth or delivery. Pray that God will provide and help them as they adjust to two little ones.

Prayer Request: Pray that the Church Planting Movement would happen among the Tay and Nung peoples. That rapid multiplication of indigenous churches will come about with each new church planting. Pray that in Vietnam and all the tribal groups we will begin to see with our physical eyes what we have only been able to imagine according to God's word!

Please pray Psalm 2:8 "Only ask, and I will give you the nations as your inheritance, the ends of the earth as your possession."

Also PRAY FOR HAITI and all the ones ministering in this area!
