**ARROW HEIGHTS BAPTIST CHURCH**  
March 21, 2010

**PASTOR TO PEOPLE—BOB GREEN, SR. MINISTER**

The Bible describes love, especially God's love, as a love that never quits. Jesus says, "...lo, I am with you always, even unto the end of the world. Amen." (Matthew 28:20b KJV) According to Matthew this is the final word of Christ as He left this world. What a magnificent promise to end the glorious ministry of Jesus here on this earth. His love will always be with us. Divine love is always here. It will never be revoked. He will never pause to reconsider. The gravitons of eternal love will forever flow between the believer and God. But what about God's love and its flow between us as humans? Human love is somewhat nebulous and vague. A young man writes to Ann Landers and describes what he thought was love for a young lady named Dottie. He wanted to give her his class ring and his I.D. bracelet. In her presence he got weak-kneed and almost fainted. He perspired when he was around her. He lost his appetite for food. His Mom thought he looked sick and took him to the doctor. Randy wrote, "It wasn't love. It was the flu. Now I'm back to normal." We humans, especially we Christian believers, are to love others like Jesus did without hesitation. We are to love them at all times. We are to show our love for the lost by sharing our Christian witness and giving to global missions through the Cooperative Program so all can hear and have the opportunity to be saved.

*There is an ongoing invitation to anyone who would like to pray in the Sanctuary on Sunday mornings at 8:30 am. We will pray for the morning services by prayer walking through the Sanctuary.*

**• CROSS-CULTURAL—SOLOMON HAILE, MINISTER**

- *Stand in the Gap*—The congregation was aware that one of their members, Robyn, a 38 year-old mother of four, had been through a series of losses within months including the sudden death of her husband from a heart attack followed by her father's death. Linda recalled a Stand in the Gap presentation and immediately thought this is a perfect 'something more' for their group. Funny how God works; a spiritual family came around Robyn whose hands were full and unable to support her grieving mother. Funny how God works; another small group of widows were looking to expand their group. They were introduced to Robyn's mother and the fit was perfect. Now Robyn has worked through her father's passing and knows her mother is receiving the support she needs. Recently Robyn began to talk about the loss of her husband. God sightings and blessings abound in the family. Everyone involved has experienced the spirit of God moving within their group. Linda said, "SITG told me the Holy Spirit would show up and they were right."

Funny how God works by bringing the right people at the right time into your life. All you have to do is show up, let God be God, and He will do all the heavy lifting. In SITG spiritual families you recognize God at work in your life. Robyn knows, Linda knows, and the rest of the family knows what God will do if you let Him. Funny how God works....

***Southern Baptists: A praying people impacting a lost world*****• MISSIONS**

- MUSLIM SINDHIS OF PAKISTAN (SIN-dees). Throughout the centuries, the Sindhis have rarely been independent, and the people long ago began searching for other expressions of freedom. That search is exemplified today in mystic saints, involvement in politics, and interest in things Western. Pray that this search will open the door to reaching into people's lives with the true freedom of the Gospel. From among the millions of Sindhi people, only a handful of men and even fewer women have accepted the claims of Christ and become His followers.
- Pray for opportunities for these believers to share the Good News with others who are without a knowledge of Jesus. When Jesus looks upon the Sindhi people, He sees that they are people without hope. The harvest truly is plentiful, but the laborers are few. Pray earnestly that the Lord of the harvest will send out laborers into the Sindhi harvest. <http://www.go2southasia.org/>
